

ISIA Individual Membership Benefits

Join the ISIA as an Individual Member and see the impact we can have together as we work to shape the serum industry through consensus and collaboration.

In addition, ISIA offers our Individual Members the opportunity to:

Expand Your Business or Personal Influence

- Leverage business partnership and professional development opportunities by engaging directly with subject matter experts and leaders in animal-derived products with shared goals/vision for the industry
- Share your expertise as a presenter in an ISIA event, committee meeting or webinar or contribute as an author on an ISIA publication

Access an Expert Network

- Connect with peers worldwide through our members-only directory and collaboration opportunities
- Enjoy discounted member rates for the ISIA Annual Meeting, held in Budapest, Hungary in 2025, further enhancing your professional journey

Educate Yourself and Others

- Accelerate your individual research or your organization's goals through a direct connection with the industry leaders in animal-derived products to answer questions, provide guidance, or collaborate on shared challenges
- Learn from our expansive library of members-only content that has been cultivated since the inception of ISIA in 2006
