Dear Iara,

Following the completion of the audit performed 28 October, 2020, by auditor

Paulo H. D. M. Bertolini

and the receipt of acceptable audit reports and recommendation by ISIA,  
ISIA is delighted to recognize

**Biomin Tecnologia Ltda.**

as being traceability certified according to the ISIA Traceability Program.

This certification allows Biomin Tecnologia Ltda. to apply to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead, etc.

The Seal may not be used on product labels.

All uses of the Traceability Seal must be approved by the CEO of ISIA.

In addition, Biomin Tecnologia Ltda. will be listed as Traceability Certified on the ISIA website.

This certification will be valid through October 2023 and can be renewed upon completion of another successful audit. Should Biomin Tecnologia Ltda. not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations,

Rosemary J. Versteegen Ph.D.
