Mr. Simon Tooth
Ms. Katie Chandruang
Newman Biotech Australia
92, Enterprise Way
Sunshine West, Victoria
Australia 3020

Dear Simon and Katie,

Following the completion of the audit performed 19th April thru 21st April, 2022
by auditor

Bernice Wan

and the receipt of an acceptable audit report and recommendation by ISIA,

ISIA is delighted to recognize

Newman Biotech Australia

as being traceability certified according to the ISIA Traceability Program.

This certification allows Newman Biotech Australia to use the ISIA Traceability Seal on its marketing collateral materials such as website, brochures, letterhead etc. In addition, Newman Biotech Australia will be listed as traceability certified on the ISIA website.

The Seal may not be used on product labels.

All uses of the Traceability Seal must be approved by the CEO of ISIA.

This certification will be valid for a maximum period of three years from the date of the audit report, through April 2025, and can be renewed upon completion of another successful audit. Should Newman Biotech Australia not renew its certification, it will be removed from the ISIA website and must no longer claim to be certified or use the Traceability Seal.

Congratulations,

Rosemary J. Versteegen Ph.D.
CEO
